

Mission

Using sanctified
Imagination to connect,
teach, and preach.

Objectives

Our objective as a
Christian Artist Non-Profit
Organization is to connect
with inspiring young
artists. We want them to
generate art that
communicates profound
truths grounded in Biblical
scripture and distinct faith

qualities to the art community, schools, and churches. We want to help extricate creativity and artistic investigation by using sanctified imagination to inspire a belief in Jesus Christ.

Goals

- Equip those called to visual art with excellence, aptitude, and creativity.
- Devote equally to the Bible and the church by providing the expertise and resources to help the church embrace the visual arts and bring work that helps congregations worship more deeply.
- Communicate the love of Jesus Christ and the Bible story to a non-believing world.
- Deepen the personal devotion, worship, and prayer in every inspiring artist that works in and with our studio.
- Cultivate an artistic atmosphere and stance that allows for a spirit of hospitality, intellectual rigor, prophetic voice, and a close pursuit of faith.
